

HARRAH LOGISTICS GROUP

We Make it Happen

About HLG

2016 Media kit

At HLG we provide our valued clients with the best logistics services available. Our logistics specialists know that every shipment, regardless of size or service level, is at the heart of business and commerce.

Our goal is 100% on time delivery; always keeping our clients informed of any potential deviation of service.

Harrah Logistics Group was started by industry professionals with over 100 years of combined experience in the transportation industry.

You don't have to be a large, high volume shipper to enjoy the benefits of a shipping program tailored to suit your needs. HLG has the tools to make your shipping wish list a reality.

At HLG we fully embrace the technology side of the transportation business; we are EDI capable and offer our clients automated shipping programs with varying degrees of sophistication.

If you are in the market for improved transportation service and value, or if you wish to compare your present service and pricing to ensure that you are receiving maximum value for your transportation dollar, we welcome the challenge involved in finding a winning solution to even the most difficult shipments.

Please consider taking advantage of HLG's experience and expertise, we truly can make it happen when you want it to happen. It's never a gamble, always a sure thing with Harrah Logistics Group.
